

Nomination Guidelines

The Daniel Flaherty Park Excellence Award is for recognition of your park facilities and programs completed within the last 5 years which represent the cutting edge of the leisure movement throughout the United States. These projects will represent innovative, cost effective design, demonstrate the utilization of community input and resources, and provide a significant impact on their community and agency. If you know of a program or project within or outside your agency, please take a moment to nominate the program or project by completing this application and returning it via email. Please submit photographs *digitally* of the facilities or program with the application. Winners will present their facilities and programs during an awards presentation on Monday, February 27, 2012.
